1. First monthly service charge waived on all accounts.

2. Other banks may charge a fee for transactions at their locations.

3. Santa Cruz County Bank custom checks only.

4. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

The following account types are eligible for combined balance calculations and may be combined with your account to avoid a monthly service charge (if the average daily balance requirement is met): Checking, Savings and Certificate of Deposit.
